Time	4 hours of class per day
Location	Runnymede College, Calle de la Salvia, 30, 28109 Madrid
Student Grades	Entering year 12 and year 13
Course Description	The SAT exam is an exam required by most American Universities and is increasingly accepted at universities worldwide. Bespoke's SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke's proprietary materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so you can practice in a test-like, proctored environment. Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.
Post-course Guidance	After the completion of the course, each student will sit down with the instructor for a one-on-one meeting to develop a personalized study plan for the rest of the summer.
Mock Testing	Students receive two free mock test credits **to be used within two months of the completion of the course**. Students take the tests at home and send scans of their answer sheets to our office. Within three business days, students receive a detailed score report and analysis of their performance.
