PROPUESTA UNED TABLA Y FÓRMULA DE CONVERSIÓN DE CALIFICACIONES REINO UNIDO A SISTEMA ESPAÑOL

Spanish A level counts for medicine, economics and engineering, among other degrees.

Biology and chemistry A level are needed to sit medicine in a public university

Students obtain their mark (credencial de acceso) through UNEDASISS with their ESTIMATED GRADES after their March mocks exams (2023)

Private universities hold their own entrance system.

Comillas (ICADE, ICAI), Navarra (Medicine) and others : students have to pass their entrance exam. They will look into their grades from Year 10.

If a student needs to gain a mark of more than 10 points to access a public university, they will have to ask for the "reconocimiento" through UNEDASISS or take the PCE (Pruebas de Competencia Específicas)
